

Mira La Luna, canon à 3

©2013 David Zethmayr, BMI

Mi - ra la lu - na co - mien - do su tu - na ti -

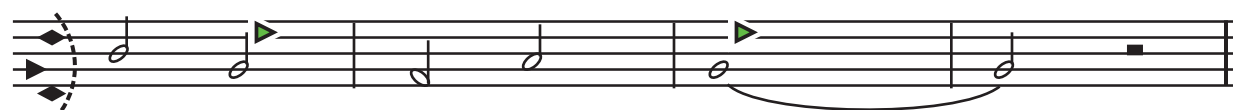

ran - do las cas - ca - ras a la la - gu - na The

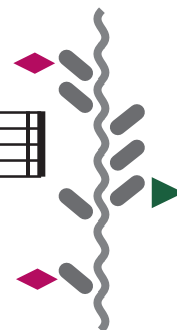

moon up a - bove and the water below

prickly-pear ripples make a rocking little show,

thought you'd like to know.

"Look at that moon! Eating her prickly-pears and tossing the rinds into the lake!"

Notice the long runs of "-a-" syllables in this traditional song-riddle in Spanish and have fun with them. —DZ
